

女子シングルス

Phylogenetic tree showing relationships between 32 participants. The tree is rooted at the top and branches downwards. Each participant is listed with their name, age, and school. The tree is color-coded by region: red for Kanto (関東), blue for Kansai (関西), green for Chubu (中部), orange for Tohoku (東北), and purple for Hokkaido (北海道). The tree is labeled with numbers 1 through 32. A scale bar at the bottom indicates a distance of 0.1. A legend at the bottom right shows the color coding for the regions.
